

AMENDMENTS TO THE DRAWINGS

With this response, Applicant is submitting replacement sheets for all of the drawings. Applicant submits that the replacement sheets are clearer versions of the Figures included in the originally presented application. Furthermore, Applicant notes that, in order to improve legibility, former Fig. 2 has been replaced with Figs. 2A-2C, former Fig. 7 has been replaced with Figs. 7A-7D, and former Fig. 10 has been replaced with Figs. 10A-10C. No new matter is believed to be added by these amendments.

REMARKS

In the Notice to File Corrected Application Papers, various drawings are cited as including one or more deficiencies. With this response, Applicant is submitting replacement sheets for all of the drawings. Applicant submits that the replacement sheets correct all of the cited deficiencies. Furthermore, Applicant has amended various paragraphs in the specification to account for new figure numbers in the replacement sheets and to correct various references to the figures.

Applicant respectfully submits that the replacement sheets and amendments correct all of the cited deficiencies and do not add new matter. In light of the above, Applicant respectfully submits that the Application is in condition for issuance. Should the Office require anything further to issue the patent, the Office is invited to contact Applicant's undersigned representative at the number listed below.

Respectfully submitted,

/John LaBatt/
